GPCL-RF-A18-32-811-03-C1D

being the responsible party, declares that the product

was tested to demonstrate compliance with all applicable FCC Rules and regulations. Operation is subject to the following two conditions: This device may not cause harmful interference, and this device must accept any interference received, including interference that may cause undesired operation. The methods of testing were in accordance with the most current and accurate measurement standards possible. All necessary steps have been taken in order to assure that all production units will continue to comply with the Federal Communications Commission's requirements.
